Woking Asian Business Forum

"Promoting Minority Ethnic Businesses"

WWW.WABF.ORG.UK

The Woking Asian Business Forum (WABF) exists to help promote, encourage and support the development of Asian businesses in the Borough of Woking

WABF has moved the winning goal posts again. Just when we thought it couldn't get any better, it has. The next networking event is on Friday the 4th of December at the Woking Football Club, 6.30pm for a prompt 7.00 kickoff. **You really must not miss this!**

Guest speakers are:

Lady Miloska Nott who is a committed Catholic who runs the Fund for Refugees in Slovenia and just happens to be married to former defence minister Lord John Knott. For nearly 20 years, Lady Nott has been serving the persecuted Muslim communities in Slovenia.

The Very Reverend Victor Stock, Anglican priest and Dean of Guildford. After the Bishop, he is the senior priest in the Diocese and Victor is, among many other duties, the Chairman of the reference group for the Board of Social Responsibility.

Both are excellent speakers and are bringing the kind of energy and commitment to this WABF experience for which we have become known.

In the Spirit of Christmas, this is a golden opportunity to come together as one community to celebrate our inclusive and united community and to enjoy top notch speakers as well as enjoying our usual 'afters' meal and a wonderful networking event. Bring your friends – this is a true Christmas gift.

We have never said this before but we stand by its truth...you really will be disappointed if you miss this occasion. We promise you a brilliant event, with sparkling speakers and exactly the message of an inclusive community that WABF stands for.
